The seller shall not be liable for any delay in manufacture or delivery due to fires, strikes, differences with workmen, accidents, delays in transportation, shortages of cars, shortage of fuel or other material, shortage of labor, inability to procure supplies, and all other causes beyond reasonable control of the seller. The seller shall not be responsible for consequential damages—including but not limited to any loss of profit or loss of business.

We warrant each piece of **Bil-Jax** equipment manufactured by us to be free from defects in material and workmanship under normal use and service. We will repair or replace it, at our option, when proved defective within one year from dated received by customer. We will not authorize any other person to assume for us any liability. This warranty shall not apply to equipment which has been repaired or altered outside of our factory in any way, nor to equipment which has been subject to misuse, negligence or abuse. Written notice must be received by us and acknowledged before any units will be accepted for return. Units must be returned prepaid.

"LIABILITY OF PURCHASER: It is expressly understood and agreed that the seller shall not be liable for damages or losses of any kind whatsoever, whether to persons or property or for any other loss arising from the use of, transportation of, or in any way connected with the said equipment or any part thereof, from whatsoever cause arising, and the purchaser agrees to indemnify and to hold seller harmless from all such liabilities. Purchaser agrees that seller shall not be liable for any delays, downtime, work stoppage, loss of profit, or loss of time in the use of the equipment from whatsoever cause arising."

Purchaser agrees to distribute, and ensure compliance with, all safety literature supplied with this order to all persons buying, leasing, or using this equipment. Additional safety literature is available by calling 1-800-537-0540.

The use of purchaser's purchase order number in this purchase is for customer's convenience and identification only. This invoice and the conditions set therein constitutes the sole agreement between **Bil-Jax** and the purchaser and supersedes any purchase order provisions whether sent to or received prior to or subsequent to this invoice. Absence of purchase order number shall not constitute grounds for nonpayment of invoice charges.

Claims for shortage or deductions for erroneous charges must be promptly presented or they will not be allowed.

If our goods appear damaged, discontinue their use and notify us promptly so the matter may be investigated without delay.

Requests for cancellation of orders calling for specially designed equipment will not be considered if the manufacture of the material has been commenced when the request reaches us.
